Norwich Arts Council Cooperative Gallery Membership Application and Information

Membership to the Cooperative Gallery of the Norwich Arts Council (NAC) is open to all regional artists, and benefits include periodic exhibition opportunities and institutional promotion and marketing. Artists whose work is “non-traditional” are particularly encouraged to apply, as this is the primary focus of the Gallery.

There are three levels of membership: Elected Artist Member (\$150 per year dues), Associate Artist Member (\$50 per year dues), and NAC Member (\$35).

Membership selection in the Cooperative (Elected Artist or Associate Artist Member) is based on availability and the presentation and relative strength of a complete portfolio. This portfolio must include:

1. Minimum of 12 images on a CD showing works completed within the past 24 months. Or, 12 pieces of original art may be brought to the gallery (please call first). Information about the size of each piece and the medium used must be included.
2. Resume which includes education or training, exhibition record and awards (date, location, type of exhibition).
3. Statement that will give the Cooperative a better understanding of you and your work, and in particular, why you want to be a part of the NAC Cooperative.

Process: Each completed portfolio will be presented at the next regular meeting date following submission. Artists usually meet on the 1st Tuesday of each month. Evaluation will be based on each cooperative members interpretation of the work submitted as reflected in the guidelines above. Notification of the cooperative’s decision will be made within 10 days following the submission meeting. Please call the gallery to make arrangements for dropping off your materials.
